VERIFICATION STANDARD APPLIED: REVISED B-BBEE CODES OF GOOD PRACTICE

We confirm that we are the Auditors of the above mentioned Company appointed from 01 June 2010.

We have audited the financial statements of Dyason Incorporated for the year ended 30 June 2015 on which we expressed an unmodified opinion. According to those audited financial statements the turnover is more than R 10,000,000 but less than R 50,000,000. Based on this the B-BBEE status Level must be calculated using the QSE scorecard.

Although the level of turnover for the year ended 30 June 2015 is closely related to the economic indicators, it may be more or less in future. Consequently, this certificate does not serve as a guarantee that the income reflected will continue at the same levels.
