Dyason Attorneys are a dynamic multi-faceted Law Firm, which distinguishes itself by its commitment to professionalism, integrity and efficiency, thereby providing its clients with top class and cost-effective legal services in a competitive environment.

Dyason Incorporated is one of the most experienced law firms in South Africa. Founded in 1939 by Roger Dyason, in his day a well-known Pretoria Attorney, businessman and first Chairman of Iscor, Dyason has expanded, amalgamated and transformed over the years, culminating in Incorporation in 1992. Our current staff comprises of over 21 people. More than 6 attorneys, 3 consultants, 2 Candidate Attorneys and a number of administrative staff are among the most highly-regarded in the industry.

Our standards of professional excellence ensure that our commitment extends beyond furnishing technically correct legal advice – we continuously uphold the highest standards of integrity and exceed client expectations. Dyason maintains its emphasis on fast, accurate and professional legal service. We are truly committed to adapting to a changing South African business environment, as is evident from our current staff profile. Personal contact and the development of sound relationships have kept Dyason successful over the years. The firm has established good working and professional relationships with clients, members of the legal fraternity, the public sector and parastatals.

As a dynamic and multi-faceted law firm, we distinguish ourselves through our adherence to the core values that guide not only our practising of the law, but all our personal and professional interactions. By entrusting Dyason with your legal issues, you know you are in capable hands.
